10.1 Any request by the Claimant to the Funder to fund or confirm funding for the Claimant's Appeal or the defence to the Defendant's Appeal must be supported by an opinion from the Solicitors as to the merits of the steps proposed and details of any budget for such appeal.

10.2 Subject to satisfactory Due Diligence having been completed by the Funder, the Funder may in its discretion agree to fund the Claimant's Appeal and / or the defence to the Defendant's Appeal.

- 11.2 If during the period of this Agreement the Claimant becomes aware of any material facts which may alter or affect the warranties and representations in clause 11.1 (or which should have been disclosed to the Funder had they been known by the Claimant on or before the date on which such warranties and representations were made or are deemed to have been made), the Claimant shall promptly disclose in writing to the Funder all relevant facts.
- 11.3 The Claimant acknowledges that the Funder has relied upon the truth and accuracy of the warranties contained in clause 11.1 in entering into this Agreement and will continue to rely on the truth and accuracy of the warranties in performing its obligations pursuant to this Agreement.

12. CONFIDENTIALITY

- 12.1 The Parties agree to keep the Confidential Information confidential.
- 12.2 Confidential Information shall remain at all times the exclusive property of the Disclosing Party (or its Associates) and the Recipient shall have no rights (whether at law or in equity) in or to such Confidential Information nor any aspect or embodiment thereof.
- 12.3 The Recipient shall ensure that the Confidential Information it receives is not divulged or disclosed to any person except its representatives who have a "need to know" such information, such as brokers, advisors, insurers and potential insurers, finance providers and potential finance providers. The Recipient shall be solely responsible for its failure to comply with the provisions of this Agreement.
- 12.4 The Recipient must not disclose any Confidential Information to any third party unless such disclosure is:
 - 12.4.1 required by law;
 - 12.4.2 authorised by this Agreement;

- 12.4.3 made on a confidential basis with the Disclosing Party's prior written consent to the fact and contents of that confidential disclosure;
 - 12.4.4 made on a confidential basis by the Funder for the purposes of obtaining legal or financial advice or assistance; or
 - 12.4.5 required by the rules of any financial market on which the Funder is listed.
- 12.5 Notwithstanding the foregoing, the Funder shall be entitled to disclose to its finance providers or potential finance providers the existence and terms of this Agreement.
- 12.6 Clause 12 survives the termination of this Agreement.

13. PRIVILEGE

- 13.1 The Claimant does not by any disclosure of Claim Information to the Funder waive any legal professional privilege.
- 13.2 All privileged information disclosed to the Funder is disclosed on the basis that the Funder has, or will have, a common interest in the pursuit and success of the Claim and/or Action and the Funder will use reasonable endeavours to preserve that privilege.
- 13.3 If the Claimant withholds information from the Funder other than as permitted by this Agreement on the basis of privilege, work product, or any similar doctrine of confidentiality, he must provide immediate written notice to the Funder of the same.
- 13.4 Clause 13 shall survive the termination of this Agreement.

14. EXPERT DETERMINATION

- 14.1 Notwithstanding clauses 15 or 16 below, if a dispute arises in respect of the reasonableness of any Action Costs to be paid in accordance with clause 4, or the Funder reasonably considers that the merits of any Claim are no longer satisfactory or are no longer economically viable under clause 16.1, either Party (the "**Disputing Party**") may serve a dispute notice ("**Dispute Notice**") on the other Party.
- 14.2 The Dispute Notice must set out the nature and grounds of the dispute, the outcome sought and must require the appointment of an independent specialist King's Counsel ("**Expert**") to undertake an independent assessment and determination.
- 14.3 If the Disputing Party does not withdraw the Dispute Notice within five (5) Business Days of deemed receipt of that notice on the other Party, then the Parties shall, within ten (10) Business Days of service of the Dispute Notice,

agree and appoint an Expert to make an independent assessment and determination of the issues identified in the Dispute Notice.

- 14.4 If the Parties are not able to agree and appoint an Expert in accordance with clause 14.3, either Party may apply to the Chairman of the Bar Council of England & Wales to appoint a suitable Expert.
- 14.5 The Expert shall determine in their absolute discretion the procedures and rules to apply in the conduct of the independent assessment and determination. The Expert's decision in relation to the Dispute Notice shall be final and binding.
- 14.6 The costs and expenses relating to the Expert's determination in accordance with clause 14.1 – 14.5 shall be paid for by the Funder.

15. DISPUTE RESOLUTION

- 15.3 Any dispute arising out of or in connection with this Agreement (excluding any dispute in respect of which a Party exercises its rights under clause 14 but including any question regarding its existence, validity, interpretation, performance, breach or termination), shall be resolved by a sole arbitrator under the rules of the London Court of International Arbitration ("LCIA").
- 15.4 The seat of arbitration will be London and the language of the arbitration will be English.
- 15.5 The arbitrator will be appointed by agreement of the Parties provided that, if they cannot reach agreement within ten (10) Business Days of first notification of the relevant dispute, then the Parties will apply to have the arbitrator appointed by the LCIA. Any attempt by either Party to seek relief or remedies in any other forum, save for pursuant to clause 15.6, shall constitute a breach of this Agreement and entitle the other Party to damages, equitable relief and full indemnification against all costs and expenses incurred in connection therewith.
- 15.6 Nothing in this Agreement shall prevent either party from seeking any provisional or preliminary or interim relief (including, but not limited to, injunctions, attachments or other such orders in aid of arbitration) from any court of competent jurisdiction, and any such application to a court for provisional/preliminary relief shall not be deemed incompatible with the above agreement to arbitrate or a waiver of the right to arbitrate.
- 15.7 The arbitration award shall be final and binding on the Parties. The Parties undertake to carry out any award without delay and waive their right to any

form of recourse based on grounds insofar as such waiver can validly be made.

16. BREACH, TERMINATION AND ABANDONMENT

16.1 If the Funder reasonably considers that the merits of any Claim are no longer satisfactory or that any Claim is no longer economically viable (such views to be reached based on independent legal and expert advice that has been provided to the Funder) the Funder may give the Claimant not less than thirty (30) Business Days written notice of its intention to terminate this Agreement, subject to the right of the Claimant to seek Expert determination, of the Funder's determination, under clause 14.

16.2 If the Funder breaches any term of this Agreement:

16.2.1 the Claimant may give the Funder notice in writing:

- (a) specifying the breach; and
- (b) specifying what is required to remedy the breach or stating that the breach is not capable of remedy; and
- (c) allowing the Funder a period of at least twenty (20) Business Days to remedy the breach.

16.2.2 the Claimant may terminate this Agreement:

- (a) if the breach is capable of remedy and is not remedied within twenty (20) Business Days with such termination taking effect immediately upon the expiry of that period; or
- (b) if the breach is not capable of remedy, with such termination taking immediate effect.

16.3 If the Claimant defaults in the performance of any of his obligations under this Agreement:

16.3.1 the Funder may give notice in writing to the Claimant (Notice of Breach):

- (a) specifying the breach; and
- (b) specifying what is required to remedy the breach or stating that the breach is not capable of remedy; and
- (c) if the breach is capable of remedy, allowing the Claimant a period of at least twenty (20) Business Days to remedy the breach.

- (a) if the breach is capable of remedy and is not remedied within twenty (20) Business Days, with such termination taking effect immediately upon the expiry of that period; or

- (b) if the breach is not capable of remedy, with such termination taking immediate effect.

16.4 If this Agreement is terminated pursuant to clause 16.1 or 16.2:

- 16.4.1 save with respect to any costs incurred by the Claimant in relation to any discontinuance of the Action, the Funder's obligation to pay Action Costs arising after the date of termination, or any other sum, ceases immediately on the date of termination;
- 16.4.2 the Funder's right to be paid the Funder's Fee from any Recovery pursuant to clause 9 shall continue as if this Agreement had continued in force; and
- 16.4.3 this clause 16.4 shall survive termination of this Agreement.

16.5 If this Agreement is terminated pursuant to clause 16.3.

- 16.5.1 save with respect to any costs incurred by the Claimant in relation to any discontinuance of the Action, the Funder's obligation to pay Action Costs arising after the date of termination, or any other sum, ceases immediately on the date of termination; and
- 16.5.2 the Funder's right to be paid the Funder's Fee from any Recovery pursuant to clause 9 shall continue as if this Agreement had continued in force; and
- 16.5.3 this clause 16.5 shall survive termination of this Agreement.

16.6 If the Claimant contravenes clause 8.5, then the Claimant acknowledges and agrees that:

- 16.6.1 such an abandonment, withdrawal or discontinuance (including of any part of any Claim or Action or settlement of the same) constitutes a material breach of this Agreement;
- 16.6.2 the Funder shall be entitled to terminate this Agreement by written notice with immediate effect;
- 16.6.3 the Claimant must, within ten (10) Business Days of the abandonment, withdrawal or discontinuance, repay to the Funder all Action Costs and any other payments made by the Funder pursuant to this Agreement in respect of the Action that has been abandoned, withdrawn or discontinued without prejudice to the CAT's powers to appoint a replacement representative of the Class Members under CAT Rule 87. If the CAT approves the appointment of a replacement representative of the Class Members on the terms set out in this Agreement, the Funder shall not require the Claimant to repay to the Funder all Action Costs and any other payments made by the Funder pursuant to this Agreement;
- 16.6.4 the Funder's right pursuant to clause 9 to be paid the Funder's Fee from any Recovery shall apply to any settlement entered into in breach of clause 8.5; and

16.6.5 this clause 16.6 shall survive termination of this Agreement.

16.7 The Claimant's right to terminate under Clause 16 shall apply irrespective of the amount of the Capital Deployed under this Agreement and whether or not the Funding Limit has been reached.

17. INTEREST

17.1 If a Party fails to make any payment due to the other Party under this Agreement within ten (10) Business Days of the due date for payment, then the other Party may charge the defaulting party interest on the overdue amount at the rate of 5% per annum above the National Westminster Bank PLC's base lending rate from time to time.

17.2 Such interest shall accrue daily from the due date until the date of actual payment of the overdue amount, whether before or after judgment. The defaulting Party shall pay the interest immediately on demand by the other party.

18. INDEMNITIES

18.1 The Claimant hereby indemnifies, defends and holds the Funder and its Associates, free and harmless from and against any and all actions, losses, costs, charges, damages, claims, sanctions, penalties and expenses (including solicitors' fees and costs of experts and advisors) which may be incurred by the Funder at any time or for any reason arising out of or in connection with:

18.1.1 the breach of, inaccuracy of, or failure to comply with, or the existence of any facts known to the Claimant at the time of entering into this Agreement, resulting in the inaccuracy of, any of the warranties or representations of the Claimant in this Agreement or in any agreements or documents delivered pursuant to or in connection with this Agreement or the Action;

18.1.2 any costs, sanctions, awards or penalties assessed or awarded against the Funder in connection with the Action otherwise than by reason of the Funder's default;

18.1.3 any costs or expenses (including the fees and expenses of the Funder's outside counsel) incurred by the Funder in connection with any legal proceeding or other matter relating to this Agreement or the Action or any agreements, exhibits or documents delivered pursuant to or in connection with this Agreement; and

- 19.1 Other than as expressly agreed in this Agreement, the Funder shall have no obligation to fund any fees, expenses or other sums and all such fees, expenses or other sums shall be the sole responsibility of the Claimant.
- 19.2 Subject only to clauses 20.3 and 20.4, the liability of the Funder in relation to the subject matter of this Agreement is limited to the aggregate amount of the Action Costs. The Funder disclaims all liability for any damages that may constitute compensatory damages, lost profit, out-of-pocket expenses, costs, losses, charges, expenses, punitive damages or otherwise.
- 19.3 Neither Party shall be liable to the other under this Agreement for any special, indirect or consequential losses or damage, whether or not such losses were within the contemplation of the Parties at the date of this Agreement.
- 19.4 Nothing in this Agreement shall limit either Party's liability for death or personal injury arising from the negligence of that Party or its Associates, fraud or fraudulent misrepresentation, or for any loss which cannot be excluded or limited by applicable law.

20. TAX

20.1 Tax gross up:

- 20.1.1 The Claimant shall make all payments to be made by it in relation to the subject matter of this Agreement unless a Tax Deduction is required by law.
- 20.1.2 The Claimant shall promptly upon becoming aware that it or the Solicitors must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Funder accordingly.
- 20.1.3 If a Tax Deduction is required by law to be made by the Claimant or the Solicitors, the amount of the payment due from the Claimant shall, if so approved and ordered by the Tribunal, be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required. In the event that the Tribunal does not so order, the Claimant shall have no liability to the Funder for the increase otherwise provided for in this clause.
- 20.1.4 If the Claimant or the Solicitors are required to make a Tax Deduction, the Claimant shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.
- 20.1.5 Within 30 Business Days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Claimant shall deliver to the Funder a valid original certificate of deduction of tax or other evidence reasonably satisfactory to the Funder that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

20.2 Tax indemnity:

20.2.1 The Claimant shall (within twenty (20) Business Days of demand by the Funder) pay the amount of the loss, liability or cost which the Funder determines will be or has been (directly or indirectly) suffered for or on account of Tax by the Funder in respect of the subject matter of this Agreement.

20.2.2 Clause 20.2.1 shall not apply:

(a) with respect to any Tax assessed on a Funder:

(i) under the law of the jurisdiction in which the Funder is incorporated or, if different, the jurisdiction (or jurisdictions) in which the Funder is treated as resident for tax purposes; or

(ii) under the law of the jurisdiction in which the Funder's office is located in respect of amounts received or receivable in that jurisdiction,

if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by the Funder; or

to the extent a loss, liability or cost is compensated for by an increased payment under clause 21.1.

20.3 Tax credit:

20.3.1 If the Claimant makes a Tax Payment and the Funder determines that:

(a) any credit against, relief or remission for, or repayment of any Tax is attributable either to an increased payment of which that Tax Payment forms part, or to that Tax Payment; and

(b) that Funder has obtained, utilised and retained that credit, relief, remission or repayment,

the Funder shall pay an amount to the Claimant which the Funder determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Claimant.

20.4 VAT:

20.4.1 All amounts set out, or expressed in this Agreement to be payable to the Funder which (in whole or in part) constitute the consideration for a supply or supplies for VAT purposes shall be deemed to be exclusive of any VAT which is chargeable on such supply or supplies, and accordingly, subject to clause 20.5.2 below, if VAT is or becomes chargeable on any supply made by the Funder to the

Claimant under this Agreement, the Claimant shall, subject to clause 9.4, pay to the Funder (in addition to and at the same time as paying any other consideration for such supply) an amount equal to such VAT (and the Funder shall promptly provide an appropriate VAT invoice to the Claimant).

20.4.2 Where this Agreement requires the Claimant to reimburse or indemnify the Funder for any cost or expense, the Claimant shall reimburse or indemnify (as the case may be) the Funder for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that the Funder reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

22.5 If the Claimant does not commence an action in respect of the Related Claim within 12 months of becoming aware of the relevant cause or causes of action and if the Funder gives notice to the Claimant that it wishes the Claimant to assign the Related Claim to the Funder, the Claimant agrees that they will sign and execute all documents, transfers and assignments, provide all relevant information and material to the Funder and do all things necessary to assign the Related Claim to the Funder.
